- Fall Sports Award Night went well
 - Seating format changed. Students sat in middle, parent sat on the outside.
- Serement Invitational Basketball Tournament (12/27 & 12/28)
 - Officials Set
 - Trainer Set
 - Ron Schmit –Coordinating event
 - Bill Medick Concession Coordinator
 - 52 letters sent to local businesses requesting sponsorship help
 - Most positions for Clock Operator, Scorebook, & gate were filled – few openings available.
 - Need help in concessions, 50/50, advertisements, & announcing.
 - Trophies and medals ordered.
- Uniforms (Football, Hockey, Baseball)
 - Estimated cost for uniform purchases \$15,420 - \$17,064
 - GIGI will help defray cost of uniforms
 - GIYRA will donate \$1000.00 towards uniforms
 - Discussion ensued regarding how money is allocated to the various sports in rotation for new uniforms.
 - Jim Okler establishes rotation
 - Last year we allocated \$12,000, however paid \$13,300
 - Some Boosters stated that we provide money for School funded sports only,. Self funded programs (ie Hockey) have to request funding separately. Following that discussion the following motion was made and accepted:

Boosters to allocate \$13,000 towards uniforms and an additional \$2000.00 to the Hockey program for uniform purchases.

- Soccer Concession Stand / Ticket Booth (See attachment)
 - o No Running water
 - o Labor to be donated
 - o Building will encroach into parking lot
 - o Exterior fence is part of bond
- Mr Okler looking for help / volunteers in the selection of banner design and gym bleachers.
- Coaches

- Ice Machine
 - GIYRA is interested in purchasing an ice machine. Is there a good location to locate it and would we accept it.

**NEXT MEETING JANUARY 15TH 6:00 PM
IN THE HS (CHECK HIGHSCHOOLSPORTS.NET)**

FOLLOWING MEETING February 11th

G.I.H.S. SOCCER FIELD CONCESSION STAND

PURPOSE: Concession and ticket sales in the same building at the soccer field

SCOPE: The building will be used to sell tickets from a "Ticket Window" on one side of the building (North). The front, west face will have a concession window for refreshment sales. The building will have electrical power for lighting and use of various small appliances. The building must be able to be secured when not in use. A 36" entry door will be required.

LOCATION: The building will be located between the existing bleachers, not to impair the vision of the people sitting in the bleachers. The structure can be set back into the parking area.

SIZE: Approximately 10' x 16'

CONSTRUCTION:

- Shed Roof with overhang above west face
- Concrete or one block foundation (to keep water out)
- Wood frame on 16" centers
- T-111 siding on exterior
- Roofing best available, possibly metal standing seam

no running water

labor donated

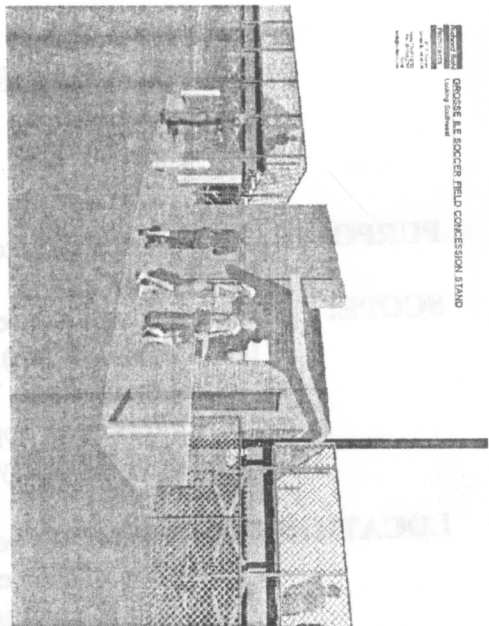

will slightly encroach
into parking lot

Fence partial

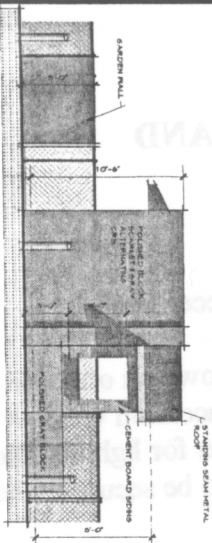

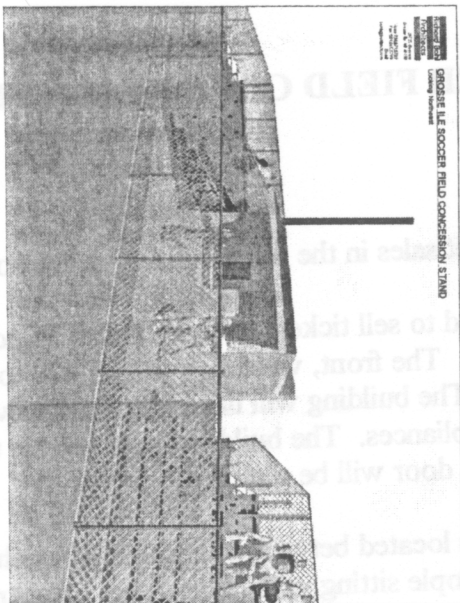

board construction
